MANAGING DIRECTOR'S LETTER

Dear Investor,

On behalf of the Board of Latin Gold Limited ("Latin Gold"), I am pleased to offer you the opportunity to participate in this capital raising. Latin Gold intends to raise up to \$1,088,176 pursuant to the issue of 21,763,535 Shares at an issue price of \$0.05 per Share.

The details of the Shares offered under this Prospectus are set out herein and potential investors are advised to read this Prospectus in its entirety before making a decision to participate in the Offer.

On 21 November 2007, Latin Gold announced to the ASX that on the basis of the review of the pre-feasibility study completed in June 2007, the Company has committed to the development of the Paron Gold Project. This decision resulted in the final US\$960,000 option payment being paid in December 2007 and Latin Gold now owning 100% of the project.

The pre-feasibility study indicated that the Paron Gold Project has a potential mine life of 6 years with an annual production rate of 42,000 ounces of gold and 92,000 ounces of silver.

In the study, cash production costs were estimated at US\$223/ounce gold equivalent and total costs, which includes all capital expenditure, at US\$324/ounce.

At current gold prices of US\$800/ounce the project is budgeted to provide an annualised EBITDA of US\$20.4 million with an Internal Rate of Return of 52%.

The Net Present Value of the project, at a gold price of US\$800/ounce, is US\$40 million.

The Board of Latin Gold are seeking to raise funds under the Prospectus Offer to:

- fund the continued development of the Paron Gold Project; and
- provide working capital.

The Directors are enthusiastic for the potential of the Paron Gold Project and our other activities within the region and look forward to your support.

Yours faithfully,

Jim Malone
Managing Director
